Hello Mr. Barak,

I have confirmed with Kevin Burns that Monday June 2nd would be the best day for your visit to PCI in Connecticut.

Kevin Burns, the President of PCI will be out-of-state June 3rd, which leaves June 2nd as the only available option for your visit.

Please confirm by return email if this June 2nd date still works for you.

I will also travel to Connecticut and meet you at PCI to represent GERI's part in the Project.

It would be beneficial to arrive on or before 10 AM on the 2nd, as there is a lot to see and discuss at their facility.

Thanks and Best Regards,

Brian Kay
